We like to stock local, quality produce and would be happy to discuss any requests or adjustments to best suit your event. Our ice-cream is supplied by Langage Farm (near Plymouth) and our coffee is supplied by Voyager Coffee (Buckfastleigh). Click [here](#) to see a sample menu of what Lola usually stocks.

## HOT FOOD GAZEBO

We also have a 3m x 3m gazebo, which can be erected alongside Lola to cook simple hot food to order such as:

- ♥ Smoked Back Bacon Baps
- ♥ Organic Fried-Egg Baps
- ♥ Dartmoor Beef Burgers

## GIN & FIZZ

We are also licenced to also sell alcohol, so if your event calls for something a bit more grown-up talk to Jenny about adding some sparkles to your day.

## CHARITY BOOKINGS

For events raising money for a good cause, we will donate 10% of our income if we take over an agreed amount in one day!

## PRICES & ENQUIRIES

Each event is different, so we like to offer bespoke quotes tailored to your specific needs. As an example, we would not normally attend events without a minimum of £500 of sales income being secured, plus depending on the location and amount of staff time required there may be an additional hire charge too.

But as we say, each event is different - so please drop us a line with your requirements and budget so we can provide a bespoke quote. Contact Jenny Thompson by email on [jenny@homefarmcafe.co.uk](mailto:jenny@homefarmcafe.co.uk) and she will look forward to discussing things with you.
