PRICES & ENQUIRIES

Each event is different, so we like to offer bespoke quotes tailored to your specific needs. As an example, we would not normally attend events without a minimum of £500 of sales income being secured, plus depending on the location and amount of staff time required there may be an additional hire charge too.

But as we say, each event is different - so please drop us a line with your requirements and budget so we can provide a bespoke quote. Contact Jenny Thompson by email on jenny@homefarmcafe.co.uk and she will look forward to discussing things with you.
